

Connecting with Hope

A SUPPORT GROUP FOR WOMEN USING EGG DONORS & SURROGATES

ConceiveAbilities and NuFocus are proud to announce a newly created support group for those seeking to build or are raising a family through the use of egg donation & surrogacy. This is an opportunity for this unique community to come together to support, educate and discuss with one another our intentions in creating loving and successful families.

Have you wondered how other women address issues surrounding using egg donors and/or surrogate mothers? What are they telling friends and families? Their children? Do you wonder if your expectations and feelings are common? Do you just want to spend time with other women experiencing the same process

of family building? If so, we welcome you to our one-of-a-kind monthly event to explore these family building options in a safe, supportive environment.

This support group will be lead by Fertility Life coach and fertility patient Hope Firsell, founder of Nufocus.

When:

The 1st Tuesday of every month starting June 2nd, 7:30 p.m.

Where:

Flourish Studios located at 3020 N. Lincoln in Chicago.

Cost:

\$250 for five sessions.

(Which can be used consecutively or broken up as needed.)

To register: visit www.conceiveabilities.com or call 877-201-7211
